

Trading Hut 'click and collect' process:

- 1) The Trading Hut price list is available on the Allotment Association website and can be accessed here: <http://banes-allotments.org.uk/trading-hut/>
- 2) Members email their orders to the Trading Hut (*tradinghut@banes-allotments.org.uk*).
- 3) On receipt of an order you will be emailed back giving you a 15mins slot on either Sunday between 10-12. I am afraid if you can't manage these times don't send in an order and we cannot take on dealing with people's preferences. There will be three people per slot and allocated on a first come first serve basis until the slots are full.
- 4) If you are allocated a slot you must a) pay for the items online to the Trading Hut (details below) and b) email your confirmation that you will come to pick up, have paid and give us a contact phone number for issues.
- 5) To pick up please be on time for your slot and alone. Please maintain social distancing while waiting with the other two people at the trading hut car park. We will have a table across the entrance and your items should be waiting for you to pick up with your name on.
